# Dreams Revealed: Expanded Dictionary Of Dream Symbols

## Synopsis

Dreaming is a time when God has our undivided attention, and He can speak to us, without us talking back or busying ourselves with something else that drowns out His voice. He uses dreams to tell us things about our purpose, prayers, character, and even hidden sin. An incredible amount of information is available to us in dreams if we will tap in to them and get understanding. As part of the "Dreams Revealed" series, the expanded dictionary of dream symbols is a powerful resource for learning dream language.Â

## Customer Reviews

Dreams Revealed is a priceless collection of information to understand what God is speaking to you through your dreams. The dictionary has unique sections that I have not found in other dream resources, such as geographical locations and their symbolic meaning. This collection will open up the door for God to speak to you even more through your dreams because He will use this tool to open up revelation about your life as well as the life that He has planned for you. This collection is the resource that I turn to first to understand my dreams after seeking the Holy Spirit.

This dictionary is a must have for dreamers who are serious about knowing what their dreams mean. It is detailed and covers so many topics. Easy to read and very thorough on every subject. It is a great companion for the Dreams Revealed book. This is a book you will keep handy to use every day.

Highly recommend this AFTER reading the handbook.

intense and understandable
