I AM INCOMPLETE WITHOUT YOU by IAIN S THOMAS is, in my opinion, a very unique, in the words of the author, "Interactive Poetry Journal". If you look very closely, you will note that his name is NOT on the cover, very unusual but here's why. It's interactive so that means he is not the only author. You are his co-author and there is a space for you to write your name on the inside title page. How cool is that! This book is so so much more than a poetry journal. Each page poses a question or a statement and asks you to write your reply in the below space, of course either in poetry, if you so wish, or prose. For example, the second page asks you to answer a not so simple question... What was the sky like the first time you fell in love? Another entry asks you to write a poem about... The Ghost You Left Behind. Many of his questions are very thought-provoking. Like this one... What will you say to the love of your life when you're old and he or she will not hear every word you say? I can imagine 100 uses for this book. Perhaps you're a writer and you are having a

tough time coming up with the next big topic. Maybe you're going to a party and you're looking for a real tough ice breaker, something the group can sink their teeth into. Maybe you like to write and you enjoy responding to deeper topics. You may have a good friend that you'd like to send this book to; I know I do, that's my plan. Perhaps your friend is in a place in his or her life where he or she is doing some real soul-searching. This may be just the thing needed. Iain has put a lot of thought into this project. I have a good friend that I know will love this book and I think you will too!

This DIY book is the most beautiful one I have ever had the honor of purchasing. It's not childish, like the "Wreck This Journal" series. It's deep, personal, and so beautifully put together. I've had a lot of fun filling the pages, and I'm still not done yet. I own every single one of Mr. Thomas' published works, and I will most certainly be purchasing more as he releases them.

If I could buy this book 100 times I would. That's how much I love it. That's how much it makes me feel. That's how much it gets me to pour my heart out and write. A good prompting-type journal. Buy it for yourself. You will thank yourself for this little gift some day.

I love Iain's writing, so I had to order this once I had the money to. This book came in the day I expected it to. I loved it so much, I ordered another copy for my girlfriend. Very pleased with my purchase,

My absolute favorite author gave this world a gift with this book. I adore this book so much. I carry it in my bag. I want to buy a second just to do it again as more time in my life goes by.
