It Began With A Stone: A History Of Geology From The Stone Age To The Age Of Plate Tectonics

Synopsis

A comprehensive history of the science of geology from the beginning of civilization to current concepts. Cites specific people who influenced the direction of geology at their time. Includes over 550 references and more than 50 photographs and illustrations from books important in the development of geology, plus localities and objects of historic interest. --This text refers to an out of print or unavailable edition of this title.

Book Information

Hardcover: 270 pages

Publisher: John Wiley & Sons Inc (December 21, 1983)

Language: English

ISBN-10: 0471897353

ISBN-13: 978-0471897354

Product Dimensions: 9.9 x 7.1 x 0.8 inches

Shipping Weight: 1.4 pounds
