Synopsis

To stop her sadistic grandfather, Saul, and his band of time travelers from rewriting history, Kate must race to retrieve the CHRONOS keys before they fall into the Cyrists'™ hands. If she jumps back in time and pulls the wrong key—one that might tip off the Cyrists to her strategy—her whole plan could come crashing down, jeopardizing the future of millions of innocent people. Kate's™ only ally is Kiernan, who also carries the time-traveling gene. But their growing bond threatens everything Kate is trying to rebuild with Trey, her boyfriend who can't™ remember the relationship she can't™ forget. As evidence of Saul's™ twisted mind builds, Kate's™ missions become more complex, blurring the line between good and evil. Which of the people Saul plans to sacrifice in the past can she and Kiernan save without risking their ultimate goal—or their own lives?

Customer Reviews

Kate is a normal seventeen year old girl who also happens to be humanity's™ last hope to defeat a cadre of rogue time travelers. These evil agents destroyed CHRONOS, an agency in the far future who study the past to learn from it by living in the time periods in which they studied. Instead, led by Saul, Kate's™ grandfather, they are reshaping history to their own ends, creating and planting the

seeds of a new religion, the Cyrists, throughout strategic points in history to manipulate history, creating a better future. That future is being reserved for people who follow the Cyrists own world-view. But Saul plans a culling of those whom he deems not fit to survive. Pickup up directly from the first book in the CHRONOS Files trilogy, Timebound, the book starts with a bang by giving Kate a mission in 1963, in the moments before JFK is assassinated. Kate is attempting to collect CHRONOS keys, which are medallions that enable CHORNOS agents to travel through time, doing this to prevent Saul from using them for his own ends. As Kate travels throughout history in various parts of the world, she begins to gather these keys but along the way, stumbles upon some secrets that Saul doesn't want her to find out. From a lynching in the south to the poisoning of a small town, Kate starts to see the big picture and strategizes how to stop it. But if Saul and his compatriots find out sheâ™s traipsing through time collecting CHRONOS keys, it will become an all-out war that Kate will not be able to win. Aided only by a small band of allies who are aware of Kateâ™s time traveling abilities, Kate has her grandmother Katherine, Katherineâ™s historian assistant & friend Connor, Kateâ™s father and her boyfriend Trey.
