# Time's Mirror: CHRONOS Files 2.5 (The CHRONOS Files)

## Synopsis

The second CHRONOS Files novella follows Prudence's story from her fateful first journey with the CHRONOS key to the point where her story intersects with Kiernan Dunne in the first novella, Time's Echo. It also helps sets the stage for Time's Divide, the third and final book in The CHRONOS Files, coming from Skyscape in October. It's 1984 and the only things on Prudence Pierce's mind are seducing her violin instructor and, with the help of her sister Deborah, avoiding the wrath of their mother for stepping out of the house dressed like Madonna. Her mother might also be a teensy bit angry about the medallion Pru swiped from the attic--a medallion that glows lime green and has an oddly hypnotic, holographic effect when Pru holds it in her hand. A simple blink is all it takes to yank Pru from the car with her dad into a world of hurt. She awakens in 2305 to find herself pinned under what's left of CHRONOS headquarters, thanks to a recent terrorist attack. Their prime suspect? Her mother, Katherine Shaw. And everyone wants to know how Pru got her hands on a CHRONOS key. Pru is convinced that the key is the answer to all her problems. She'll use it to stop her mother, fix her relationship with Deb, and even restore CHRONOS, so that her new friend Tate can return to the job he loves. She can't do it alone, however. Fortunately, she finds Saul Rand, and he's more than willing to help.

## Customer Reviews

â œtâ ™s not black or white, good or evil, from where lâ ™m standing. Here in the middle, everything looks gray.â •PrudencePrudence is the star in Timeâ ™s Mirror. We left off in the previous book, Timeâ ™s Edge, where Kate and Kiernan are gradually gathering medallions trying to stop Kateâ ™s grandfather, Saul, from changing everything about history, so he can be worshiped through his Cyrist religion. Walker has backtracked to the infamous car accident involving Prudence and her adoptive father; explaining where she went and how she discovered the CHRONOS medallions. Prudence has accidentally traveled to the bombing of the CHRONOS lab and is hence stuck in the future, where she learns of an opposite turn of events than Kate has been told. Prudenceâ ™s character is different than was perceived in the previous novels, according to Kate and her grandmotherâ ™s point of view. Thus far, I feel incredibly sorry for Prudence and the situation in which sheâ ™s found herself, although at the beginning she doesnâ ™t see it that way. According to Prudence, she really canâ ™t decipher who is the evil one, her mother or father, because she has been told stories that her mother is behind the bombing of CHRONOS, not her father. So, here we have Kate and Prudence, virtually the same age, in separate times, being told two totally different stories, but which is correct? After reading what Prudence went through, I must say lâ ™m a little perplexed, and not so gung-ho about bashing her for all the rotten things sheâ ™s done; lâ ™d agree with Prudence, â œâ |everything looks gray.â •I cannot say enough about this series. This novella gives us Timebound fanatics another side of the story, Kateâ ™s Aunt Prudenceâ ™s side.
