# Coin Of Kings (The Powers Of Amur Book 2)

## Synopsis

Kirshta's master is dead. Can he use his half-completed magical training to save himself and his sister? Kirshta has survived the immolation of his teacher, the mad thikratta Ruyam. But now he's alone, and desperate for some way to reunite with his sister and continue learning the thikratta's arts. He takes a desperate gamble and convinces the captain of the imperial guard that he can foresee their future and help them return safely to the capital. But now he has to scheme to make his own prophecies come true, or he'll forfeit his sister's life---and his own. Meanwhile, Navran has passed through the fires of the sorcerer Ruyam and sits uneasily on the throne of Virnas. But the kingdom's finances are in total disarray, and his closest advisor is stripped away from him by a treacherous friend. Can a comely newcomer to the kingdom help him put things in order? The second volume of The Powers of Amur will take you from the palaces of the southern kingdoms to the dungeons of the Emperor, in a rich and exhilarating epic fantasy tale!

## Customer Reviews

I loved the first Powers of Amur book (Heir of Iron), and was excited to get back into the story with Coin of Kings. While the first book primarily follows the story of Mandhi and Navram, Coin of Kings

branches out to follow some of the other characters, giving you a richer view of the world. The widened scope focuses much more on the politics of the realm â “ if you’re a fan of subtle feints and treacherous power grabs, I’d highly recommend it!As usual, Bangs’ writing is beautiful, and the world he’s created is rich and wonderful.(I received an advanced copy of Coin of Kings.)

I was so excited to receive the next book in this series, because book one was filled with so much, and left me wanting more.Book two does the exact same thing, all the while giving you a deeper look into many of the characters. Of course there is Navran and Mandhi again, but we also get to see more of Kirshta, whose story I was very interested in. Usually, when a book follows so many different characters, it tends to get dull or hard to keep up with. Not Coin Of Kings.Bangs once again weaves you into the magic of his world, and once there you do not want to leave. The writing flows smoothly like water, taking you on a comfortable journey. I love this book, and can’t wait to see what’s next!

I am hard to please, as a reader, to keep my interest. The story line was good to follow.

Another worthy entry in the story of Amur’s ruling class.
