Queen Of Dreams

Synopsis

From earliest childhood Heather Valencia had vivid, precognitive dreams. In one of them, she would travel to a pre-Columbian world to join a mysterious, powerful spiritual leader. When she grew older, Heather married and raised a son, but her dreams continued and she found herself increasingly drawn to the desert of southern Arizona. Finally she decided to travel there, particularly to witness the colorful and famous Easter deer dance ceremony, and when she did, she met the mysterious figure of her dreams. This is the true story of Heather Valencia's journey to Yaqui, and her experiences with Anselmo Valencia, the spiritual leader of the Yaqui people and Heather's future husband. Heather describes her passionate love affair with Anselmo, her discovery of the rich Yaqui spiritual tradition under Anselmo's guidance, her otherworldly spiritual explorations, and her mystical activities with the powerful circle of Dreaming Women.

Customer Reviews

"Do not talk gossip to other women. Do not speak badly of anyone. Do not tell anyone you have problems - problems are what others will bring to you; you are the queen. If you have trouble, act happy. Now you have to walk behind me. That is how it is done on Yaqui. Oh, and one more thing. When I get up in the morning? I want you to make the bed first thing. Then cook my breakfast - two eggs over easy. One tortilla. "This is how Anselmo Valencia, a headman of the Yaqui Pasqua reservation, proposed his Anglo wife-to-be. The book is basically a compilation of Heather Valencia's more or less disastrous relationships with men up to the Yaqui chief that she meets at a

deer dance in the Pasqua village. Valencia reveals a pattern of being controlled throughout her life by assorted husbands, medicine men, football stars etc trying to force her into adopting THEIR lifestyle, interests, values and passions. The Yaqui chieftain, clearly a remarkable and influential guy, is no different, only more canny and confident in making her fit into his universe. But, in contrast to others, he also gives something in return. Perhaps to compensate for the constrictedness of daily life, Valencia shifts into the dreaming universe and art-making. The book chronicles her experiences in which dreaming seamlessly morphs into reality, with characters from one merging into the other. We learn about unknown women who 'teach' her about dreaming in this dreaming domain; many of these women would eventually turn out to be Yaquis from the Pasqua reservation. This part resembles earlier works of Castaneda and Lynne Andrews and as in Castaneda, the reader is tempted sometimes to suspend her/his disbelief.
