Highland Intrigue (Duncurra Book Book 3)

Synopsis

Lady Gillian MacLennan's clan needs a leader, but the last person on earth she wants as their laird is Fingal Maclan. She can neither forgive nor forget that his mother killed her father, and, by doing so, created Clan MacLennan's current desperate circumstances. King David knows a weak clan, without a laird, can change quickly from a simple annoyance to a dangerous liability, and he cannot ignore the turmoil. The Maclan's owe him a great debt, so when he makes Fingal Maclan laird of clan MacLennan and requires that he marry Lady Gillian, Fingal is in no position to refuse. In spite of the challenge, Fingal is confident he can rebuild her clan, ease her heartache and win her affection. However, just as love awakens, the power struggle takes a deadly turn. Can he protect her from the unknown long enough to uncover the plot against them? Or will all be lost, destroying the happiness they seek in each other's arms? Highland Courage is a romance about a married couple and thus contains several mildly explicit love scenes, as one might expect to occur in married life. If you want more steam than that, you might be disappointed. If you prefer to stay out of the bedroom this title is available in an Inspirational version.

Customer Reviews

Ceci Giltenan continues to leave me spellbound weaving her trail of exceptional books that are absolutely magnificent the ones that stay with you long after you have read it. Yes, Highland Intrigue is definitely one of those kind of books. In this book fan of Ms. Giltenan's will remember the endearing character Fingal Maclan from her debut book Highland Solution. Fingal is the brother of Laird Niall Maclan. When Fingal found out he and Niall had different fathers. Fingal was devastated and heartbroken by his evil greedy mother Eithne and biological father, the former Laird Malcolm MacLennan. Both are now deceased, after plotting to destroy Niall and take over Castle Duncurra. Now Malcolm's brother's Duncan who is also dead, and currently his daughter the inexperienced 19 year old Gillian MacLennan, is the Lairdess in charge until they pick a husband for her to become Laird MacLennan. The King of Scotland is not happy about this demands an audience from the Maclan brothers Laird Niall and Fingal. King David says a weak clan without a Laird can turn from a simple annoyance to a dangerous liability. He demands Fingal being the only living heir of Malcolm even though Fingal wants nothing from the evil dead parents that sired him, the King reminds him he is law and demands he marry Gillian MacLennan and if she refuses she will be sent to a cloister. Also the Kings full wrath would come down on Clan MacLennan and Clan Maclan if any of them refuse. Therefore the Kings names Fingal Laird MacLennan of Brathanead right then and there before they even approach Clan MacLennan. Gillian MacLennan is not happy when she finds out she has to marry the one man she hates, one Fingal Maclan whose mother had murdered her Da Duncan, the brother of Malcolm MacLennon.
