I've read almost every golf instruction book that I could find at Barnes and Noble stores, and on the internet over the past 40 years. Arnold Palmer's book, Play Great Golf, is by far the best available today of all of them. Play Great Golf is a top notch 5-star read for any golfer, novice beginner to professional. Put Hogan's book, Five Lessons, together with Palmer's book, Play Great Golf, and you will then have the most correct fundamentals of golf in your memory cells from which to draw upon each time that you stand over a golf ball with a club in your hand whether on the practice range, or the golf course.
