ISBN-10: 0340529105

ISBN-13: 978-0340529102

Product Dimensions: 9.9 x 7.6 x 1 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #1,444,984 in Books (See Top 100 in Books) #154 in [Books > Sports & Outdoors > Other Team Sports > Cricket](#)

## Customer Reviews

You would think that a book this old in a sport which has seen so many changes should still be so relevant but the tips on batting particularly on how to play aggressive strokes are still relevant. Young batsmen should take note on the description of how to play the pull and the hook. As a bowling reference it's fairly good although I reckon the nature of bowling has changed more particularly spin bowling and Bradman not being a bowler don't make it the best. Interestingly there is stuff in there on the Carrom ball. The one thing I didn't like was that a revised edition (1984) I would have thought there would have been more modern pictures and other content but I guess it was just a freshening of the original.

This is arguably the best cricket book going around, written by the best to ever go around. Written in the 50's as an extension of a brief manual Bradman wrote in the 30's, this has long been considered the best cricket coaching book ever. Plenty of tips on Batting & Bowling with photos & explanations by Don Bradman of test cricketers plying their trade. A book any budding cricketer must have as a great reference guide to playing, this will be a lifetime treasure for anyone who is a cricket lover. As Bradman quotes, "a cricketer can be exhausted by the art of playing cricket, but he will never exhaust his subject." I could not think of a better gift for a young boy starting on his cricketing

journey. I bought one for my 11 year old nephew to teach him about the greatest ever cricketer/captain/administrator & handed it to him very reluctantly!!!

A true classic. Replete with great photos from the golden age of test cricket. And this is a nice edition to boot.
