Fashionably Dead And Wed: Book Seven, The Hot Damned Series

Synopsis

I know I'm already mated | I wanna get married. What do you get when you combine a three headed monster named Charles, a rotund, gay, dancing Demon named Doug, a culinary disaster baked by Mother Nature, a celibate premarital councilor named Jeff, an offer from Satan that's impossible to refuse and Steve Perry? You get the Royal Wedding from Hell "or to be more accurate" possibly in Hell. All I want to do is marry the Vampyre of my dreams with my closest friends and family in attendance. Yep, I know nuptials in the undead world are unheard of, but I'm still hanging onto my humanity if only by a thread. Being mated is great, but getting married is important to me. Tacky invitations and cake that causes food poisoning aside, I also need to deal with the stream of Demons entering my world from mysteriously opened portals. Not to mention Angel Jeff is going to fail us on the premarital test if we participate in any nookie before the wedding. I'm trying really hard not to go bridezilla on everyone. With five days to plan the wedding, I have figure out who's opening the portals and deal with our hostile allies who think our wedding is a farce. It's been a very difficult week "especially the no nookie part. All I know is this, I will say "I do" on Saturday even if it I have to go to Hell and back to accomplish it.

Fashionable Dead and Wed Book 7 Hot Damned Series Robyn Peterman 4 Bookgasums Vampyres, demons, a baboon named Blobbityflonk, Candy Land and marathon closet sex. Now that is the way to start a book Oh, by the way, did I mention that Steve Perry is a unicorn. Its true because Mother Nature said so. I know, right. It just blows the mind. Ms Peterman starts the book with a bang and just keeps it going throughout the entire story. There is humor, mystery, family drama, and love. All the bases are covered in this story. I laughed and I cried. Let's face it I went through many tissues through the last third of the book. Most were happy tears but there was that one time where they were tears of fear and worry. If you are needing a positive, upbeat love story for the ages then this is a book for you. Even with the fast pace of Ms Peterman's stories she is able to draw the reader in with her vivid descriptions and her wonky, yet realistic characters. There was a electronic formatting issue in the beginning of the Kindle version I read but that just gave me a chuckle. No real spelling issues but there were numerous added or wrong words that made me have to stop reading and re-read the sentence a few times to figure out what was going on. Due to the number of these errors I have had to give the book only 4 bookgasums. I enjoyed the story and was glad to see the wedding take place. I cannot wait for the next installment to find out if the other members of the Royal family can be saved and to find out what a half Hellhound and half baboon will look like. https://www..com/Fashionably-Dead-Wed-Seven-Damned-ebook/dp/B01KKRQ6I2/ref=sr_1_1?s=digital-text&ie=UTF8&qid=1474374738&sr=1-1&keywords=dead+and+wed

FINALLY! A story of Ethan and Astrid getting hitched..and it was SPECTACULARLY fun! I fell out of my chair laughing so hard at times. There was some seriously outrageous things that will make you cringe (and ok, giggle) and have you shaking your head and definitely some things that will leave you needing a fan to cool down. Ethan and Astrid are just a fantastic couple. I love their sizzling chemistry and their many HOT sexcapades. But in Fashionably Dead and Wed they need to abstain and the horror of that will just make you laugh so hard, you just might pee yourself!! I loved who and where the wedding took place. So many things went wrong yet I was completely captivated by how the wedding turned out. Robyn Peterman created a unique, beautiful wedding. To finally see Ethan and Astrid getting married was just the icing on the cake..speaking of cake..no I will let you read the book to find out what I possibly could mean. Fashionably Dead and Wed gets a WITTY AND SNARKY AND SERIOUSLY OUTRAGEOUS FIVE SHOOTING STARS! You will laugh, you might shed a few tears, but you will DEFINITELY love this story..NO doubt about it!

A couple of things: First, it's about time we got her married. Second, the very end gets just a little long. However, that might have been because my Kindle app was showing only 90% read so I was expecting more. It was stuff about other books, etc. (which is fine) but I was wanting more and was let down when it really ended. No real complaint. So why was I disappointed? Mainly because IT TOOK SO LONG for Robyn to write this next book! I had forgotten how much I like this particular series until I opened this one to start reading. No, I am not telling you more about the book, I never do but I will say this - if you're new to this series, go back and start with book 1 and work your way up to this one. This is a well developed, complex series (for this type of reading) so you won't know what a lot of references are if you start with this one. But by all means, make the effort. You will enjoy each and every one you read, up to and including "Fashionable Dead and Wed" because Robyn Peterman is great.

The wedding of the century is to be held in hell and we are lucky enough to be able to be included in the fun. Fashionably Dead and Wed is a hysterically, funny book... It should have a warning that you need to read it with an empty bladder because spontaneous laughter is inevitable. Robyn Peterman's hell is not what we were taught as kids, this one is crazy and sometimes a little scary, but Astrid and Ethan are finally having the wedding even though they have been mated already. There is no way you can't love their son Samuel, although he is still a baby to her he is supernatural so he develops way faster and his poopie words will crack you up. I love a book that is pure fun and this series is a riot... Another amazing book with the same fun characters and a few new ones to keep it interesting.

What a stupendous addition to this series. I will never tire of Astrid and her family. The laughs are always just a page away. The love that is shown by Astrid and Ethan is awesome, the fact that he loves her enough to put up with her family says a lot. There is always so much fun to be had when they come to visit. Samuel is a doll. So smart and funny. Finally the wedding we have all been waiting for. You know things can not go as smoothly as we would all hope, it is Astrid you know. As usual it keeps you on your toes through all the twists and turns. I could hardly put it down. I am looking forward to many more stories about Astrid and her family. I would highly recommend all these books.
