Customer Reviews

This is the last installment of my very favorite series (Mageri Series) | Can you imagine how emotional this made me? I was excited and a mess. I was a mess! I'm beyond grateful to learn that we will continue to see the Mageri world with new casts of characters. Yay. (Maybe some cameos ;)) From the beginning of the series there has been great character and plot growth. Something that I think sets Ms. Dark apart. Each book has been consistently entertaining and gut wrenching. So much develops in this book that it is hard to write about my favorite parts without posting spoilers, so as vaguely as possible |.*The amount of respect that Justus shows for Silver and her decisions is breathtaking. You know it had to be hard for him to watch and do nothing, but he wouldn't shame her like that.*Oh, Silver and Logan | awes
