# Kiss Of A Dragon (Fallen Immortals 1) - Paranormal Fairytale Romance

## Synopsis

LUCIAN " I am a Dragon Prince of the House of Smoke | and I am dying. " " Five hundred years is truly enough for a man like me. A monster. Yet a ten-thousand-year treaty will die with me, if I don't spawn a dragonling to take my place. My two brothers are no use in this task. It falls to me, the eldest by a hair's breadth, and yet, I cannot face the horror of another sealing. Another death. Another woman's blood on my hands. " " ARABELLA " I was saved from death in a dark Seattle alley by an impossibly beautiful man who swooped in on golden wings. Now he's taken me to his lair, opened my eyes to a world of immortals I didn't know existed, and given me an impossible task "find him a mate. Then, and only then, will he set me free. " " He needs her more than he wants; she wants him more than she should; and the fate of both the mortal and immortal worlds depends on not just repairing their hearts, but finding a Love that's True. " " The FALLEN IMMORTALS series is a modern Beauty and the Beast story with flaming HOT dragon shifters, vengeful Dark Fae, and beguiling fallen angels. Only readers over 18 should embark on this epic series of dangerous love that only an immortal might withstand. " " Lucian and Arabella's story is told in the first three books. There are nine books planned for the FALLEN IMMORTALS series. " " Lucian and Arabella " Kiss of a Dragon (Fallen Immortals 1) " Heart of a Dragon (Fallen Immortals 2) " Fire of a Dragon (Fallen Immortals 3) " Leonidas and ?? " Chosen by a Dragon (Fallen Immortals 4)...coming soon " Seduced by a Dragon (Fallen Immortals 5)...coming soon " Touched by a Dragon (Fallen Immortals 6)...coming soon "

## Customer Reviews

Kiss of a Dragon is a great start to a new shifter series by Alisa Woods. I liked this book for so many reasons - dragons, alpha males, kick-ass females, intense action, and hot romance. It's not the first book I've read by Ms. Woods, and definitely won't be the last. I really like the shifter world she's built through all of her series, and I'd recommend them all. Although I really did enjoy this book, there were a few points that bugged me (warning - somewhat spoilery information ahead). The book starts off with Lucian deceiving Arabella, and ends with him doing so, but in a much more heinous manner - because there are true feelings involved. I had initial feelings of ickiness about the situation. When I did finally start to come around to Lucian's side of things (How could you not? He's been through so much heartache in his long life!!!), he says what he says at the end of the story, and gets me all angry at him again. For a character to have such "honor", he sure has a sucky way of showing it. The other main issue was how Arabella came to fall for Lucian... this became clear to her after their first time having sex. I know there were strong feelings of attraction and even admiration for Lucian prior to them doing the deed, but it just seemed a bit cliché for her to realize she was falling for him after he gave her such good (and repeated!) orgasms. With that being said, it's still a hell of a book and we're left with a cliffhanger that really leaves you wanting more. Definitely a series I'll be following! Copy received from publisher in exchange for an honest review.

I loved this book. Lucian is a 500 year old dragon with a treaty that he had to fulfill but for him it's a curse that reminds him of a pain he can't get over. Fair warning this book does have a cliffhanger that will make you wait impatiently for the next book

A pretty good book. I give it 3.5. Has a good story line, great characters. Was enjoying reading, was getting good, but then it just ends. REALLY!!!! So mad right now don't even want to buy the second book. Why do authors do that to their readers? Just write the damn book! The whole damn book! I thought books 2 and 3 are about the brothers. Book 1 is unfinished.

There wasn't any surprise when I read Kiss of a Dragon that it was a Fantastically written book. Alisa Wood is an AWESOME author and she knows how to grab your attention and hold it through the entirety of the book. I have not read one of her books that I didn't either end up crying or was screaming at the book because I wanted to be in it to whip some ASS!!! The story line

and all the charactersâ™™ work so well together that you canâ™™t help but not enjoy the book. The end of the book leaves you begging for more. You have plenty of action packed drama, suspense, shifters, dark fae, fallen angels, and plenty of sex. This book is recommended for mature readers 18 years of age or older because of the sexual content. Lucian Smoke is a Prince of the House of Smoke, and a dragon shifter. He is 500 years old and could live as long as 1000 years or longer. He is the oldest of the three brothers only by mere minutes. The three of them are golden dragons. He is dying unless he can find a mate and spawn a dragonling to take his place. He needs to mate with a human in order to continue the treaty with the fae. If he dies before he does, the treaty will die with him. His two brother Leonidas, and Leksander are of no use in this matter. Arabella is a lawyer who was rescued from death in a dark Seattle ally by a gorgeous man with golden wings. He took her to his lair and there she was introduced to a world of immortals. Arabella didnâ™™t even know they existed. This impossibly gorgeous man gave told her to find him a mate and he would set her free. Arabella really thought the task at hand was impossible to do. Arabella needs to be set free of her demons. Can Lucian set her free? Lucian needs a mate. Can Arabella find him a mate, or will she fall in love in love with him herself? No spoilers. A book that one must read. You will not be disappointed.

I loved Lucien and Arabella! Ok so dragons are very rare in shape shifters and without their mates they die early, though they live significantly longer than us humans. And Lucien is the Prince and he knows he's dying, until he meets Arabella whom he wants her to help him find his mate except he is seriously drawn to her. And she to him. She can't help it, he saved her life. But she's broken. Man she also broke my heart until Lucien fixed it all better with some of the steamiest and most romantic loving I've seen!! High five to this dude and can I have one- mainly one of his super hot brothers!! I'm all for swooning over them too lol! And when something else happens to Arabella, Lucien will do anything to save her and keep her. I am totally loving this new series. I love the dragon prince brothers and I can't wait to see them all find mates. I loved that Lucien helped Arabella overcome her fears. And I totally liked his swim spot. This author's writing has become a major favorite of mine! I recently purchased all the books I was missing in order to catch up on the ones I haven't read! Seriously good stuff plus she has my two favorite shifters- wolves and dragons!! Since this is a new series, if you haven't read anything by her before just grab it!! You'll see some things from the other series making you want to check them out but nothing that will make you feel lost!!! 5  
DRAGON PAWS!!!
