Protocols Of The Learned Elders Of Zion

Synopsis

When the Protocols of the Learned Elders of Zion were first discovered, Freemasons and Zionist Jews everywhere screamed and complained that these 24 Protocols are a hoax, a forgery, even a blood taint against the Jews. But then came the brutal and barbaric Communist Bolshevik Revolution in Russia and its captive republics, led by covert Masonic Jewsâ€”Lenin, Trotsky, Kaganovich, and others. The cruel and sinister crimes of the crypto Jew revolutionaries seemed to have jumped off the pages of the Protocols. The Red Terror, with its torturous massacres of innocent people, its monstrous gulag concentration camps, and the setting up of a Jewish dictatorship, also followed the agenda of the Protocols as did the persecution everywhere of Christians and churches. The entire world witnessed horrors that were unquestionably a direct result of the heinous prescriptions laid out earlier in the Protocols. To this day, almost a century later, the sweep of history has proven the Protocols to be genuine, authentic, and a real-life rendering of the most tragic events that have bedeviled mankind. One nation after another has suffered, and now the Zionist psychopaths have targeted the United States and Western Europe. The Protocols continue to ring true and sound the alarm. If we close our eyes and ears and fail to heed this alarm, we will surely find ourselves in great peril. Our very survival depends on our unmasking the agenda set forth in the Protocols of the Zionist and Masonic elite for a Big Brother Police State and a New World Order.

There is no new thing under the sun. What is scary and sad is that we as a people have not learned

from our mistakes in the past, and have no memory of former history. People we are truly looking at these documents incorrectly. These are thoughts and action of a political global force and tactics are being used this very day. The word of god says you will know them by their fruits ...by the evidence by what they do ...not by what they say but do..do politicians actually tell the truth? This book in nature is an actual TRUE philosophy ...did you hear me a TRUE philosophy and its lived by powerful forces its not a conspiracy..do not close your eyes measure it next to the days head lines. This is an answer deeper meanings of why? If you follow the rabbit hole you find at its root One is the love of money...love of money not money itself but the love of money is the root to all evilALL evil...power which money brings it also says money answers all things. We are in collective state of denial and unbelief I liken it to a person seeing his wife girlfriend or women seeing her boyfriend husband cheat right in front of them right in front of their eyes. He or she says it wasn't me we as people say I would never fall for that. I beg to differ you, 9/11 Happen right in front of people face don't want to believe there are people who don't have any real love or compassion we don't won't to believe that type of worst in people ...we have hope and they exploit it. The think to it because hard to imagine there is that many politicians judges CEO corporations executives bankers news anchors that know the truth but there not telling you its a philosophy sacrifice a few for many or idea or policy.
