Shrimad Rajchandra - Saga Of Spirituality

Synopsis

“This man has won my heart in spiritual matters, and no one else has ever made on me the same impression. I have said elsewhere that besides Kavi (Shrimadji), Ruskin and Tolstoy have contributed in forming my intrinsic character; but Kavi has had a more profound effect because I had come in personal and intimate contact with Him.” - Mahatma Gandhi, “Modern Review”, June 1930. On one hand, the manifestation of intense worldly entanglements; On the other, bliss and serenity arising from inner wisdom. On one hand, outwardly engaging in business and social activities; On the other, abiding in the Self. On one hand, a life of ceaseless and fervent pursuit of spirituality; On the other, compassionately composed works for spiritual upliftment. An introduction to the extrinsic and intrinsic life of an Extraordinary Being who attained Self-Realisation is Shrimad Rajchandra’s “Saga of Spirituality”

Customer Reviews

This book is an excellent summary on the life of a great Seer of modern times, Shrimad Rajchandra. Written by His ardent devotee, Pujya Gurudevshri Rakeshbhai, the book gives us a glimpse of how Shrimadji pursued His spiritual practice even as a householder and running a business. Remaining

detached in spite of being a householder and running a business is like walking on a double-edged sword. This book, by illustrating the great spiritual heights achieved by Shrimadji, serves as a source of inspiration to anyone wanting to travel on that path.

Saga of Spirituality is a biography of a highly spiritually endowed personality Shrimad Rajchandraji. Today in the world of knowledge available at the "click of a button", society by large is falling behind in focusing on what Truth and Spirituality per-se is. Spirituality is something which is best understood when you see it live in a human being. This book reflects many facets of this Great soul to inspire us in our day to day lives and convinces us to pause, think and reflect on how aligned are we actually from the True Path of Liberation no matter what religion we may follow. Param Krupaludev Shrimad Rajchandraji, also known as Kavishri Raichandbhai to many is a living embodiment of Spirituality, inspiring thousands across the globe till date including me and this book is a must read for all those requiring a much needed respite from the materialistic melodrama available at each and every nook and corner of this world wide web.

The life of Param Krupalu Dev Shrimad Rajchandraji is brought out beautifully in English in this book, and is probably the best English source for those seeking a spiritual and historical background of Shrimad Rajchandraji's glorious life. Loved it...
