# Surf Lessons: Stories Of An Eastern Surfer

## Synopsis

Surf Lessons is a new book from author and longtime East Coast surfer Earl Shores. Stories of the mid-Atlantic, the Outer Banks, and more...Put your toes in the sand and the wax in your hand as you drop into the pages of this vibrant set of surf stories from Earl Shores. It's a Top 20 of his best work, including favorites from his early days with Eastern Surf Magazine. And it's one of the few surf books ever written from a purely East Coast perspective. That means Surf Lessons isn't full of heroic gnarly surf dudes trekking the globe for perfect waves. Instead, Shores aims his focus on the ordinary moments of the surfing experience. After putting the reader in his "regular guy" flip-flops, he never fails to capture the passion that inspires surfers to rise before dawn to catch the uncrowded early morning calm. This is a book that all readers can enjoy. So even if you've never climbed into a thick wetsuit for a wintertime wave fix, you will still enjoy Surf Lessons. Just bring your sense of adventure and your sense of humor. And be ready to shake the sand from your trunks and the water from your ears as you turn the final page.

## Customer Reviews

Not talking about being the first human to shred pipeline or discovering the worlds most exotic wave in the most remote spot ever - Earl Shores gives real grounded stories of his journey and the birth of the surfers spirit and how that stays with one and the ways it can enhance ones life from that point forward. Stories that many can relate too or will relate too as there own surf journey unfolds. Well written and refreshing in it's need to convey basic emotions of the sport with out needing to focus on "over the top-ness".

A lovely collection of essays about so much more than surfing. It's about friendship and finding happiness in the simple things.
