Muggles And Magic, 3rd Edition: An Unofficial Guide

Synopsis

With more than 50,000 copies of the first two editions in print, the popular Muggles and Magic has been substantially revised and updated to feature more exciting, up-to-the-minute information, including a photo essay on the famous Harry Potter-themed retail store, Whimsic Alley; a first-hand account of J.K. Rowling's celebrated August 2006 book reading in New York (with full-color photos); a new section on Harry Potter fans, with an article written by Steve Van Ark, webmaster of the Harry Potter Lexicon and popular speaker at Harry Potter conventions.

Publisher: Hampton Roads Publishing; 3 edition (February 28, 2007)

Language: English

ISBN-10: 1571745424

ISBN-13: 978-1571745422

Product Dimensions: 8.9 x 6.1 x 0.8 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (24 customer reviews)

Best Sellers Rank: #932,975 in Books (See Top 100 in Books) #40 in [Books > Teens > Art, Music & Photography > Performing Arts > Film](#) #98 in [Books > Teens > Biographies > Literary](#) #110 in [Books > Science Fiction & Fantasy > Fantasy > History & Criticism](#)

Customer Reviews

It's not a bad book but nothing really stands out about it either. It has a lot of information on J.K with quotes, background, and a bit of a biography. I did learn some new information about her but most of it is already known; single mother, thought of Harry Potter on a train, wrote in a cafe. Books 1-5 and the first three movies are covered with reviews and general information. A detailed cast and credits are listed for the movies. This book has a lot of reviews and quotes from editors and publishers, it gets overwhelming at times. The book also contains 70 or so black and white drawings from artist Tim Kirk. I didn't care much for them but they added to the book with the theme of wizards, creatures, and magic. They adorn each new section not unlike the Potter books illustration at a new chapter. One useful thing is the "concordance" (list) of people places and things in the Potter universe. It's about 80 pages long and was what I bought the book for initially. Although the info is good, there is information available on the web for free and is much more detailed and easy to navigate. The sites (The Leaky Cauldron, Mugglenet, and the Harry Potter Lexicon) are even

mentioned in the web sites section of the book. There are also some omissions and errors. When he first starts to go over the books all the the entries have an "about the book" section except for Prisoner of Azkaban. Some of the entries for this section are a page or more long, it seems odd to leave this one out. Other errors have to do with names like the Dursley's in Egypt when it should be Weasley's, Uncle Dudley, things of that nature. Not terrible errors but still annoying. There are 27 color glossy pictures in the middle of the book.
