Mackenzie's Lass (Scottish Lasses Book 3)

Synopsis

SCOTTISH LASSES...Meet the lasses in the world of Mary Queen of Scots...Like the Scottish thistle, they're lovely yet tough, beautiful yet prickly, and only the strongest and wisest heroes are able to elude their thorns to discover the tender blossom within. MacKENZIE'S LASS: A woman with a taste for adventure...a man who knows how to satisfy her hunger. The chef to Queen Mary cooks up fiery romance with a spirited Scottish minstrel at the most controversial banquet in Tudor history. Tristan MacKenzie, a brilliant chef in the royal household, plans to impress Queen Mary at the baptism feast for her infant son, until an intrepid minstrel, Mery Graham, arrives to stir the pot. A woman's place is definitely not in the kitchen, but daring Mery isn't intimidated by the handsome chef who's whetted her appetite for romance. Mery's impetuosity becomes a recipe for disaster as she begins to fall in love and out of wanderlust. And when insatiable curiosity lands her in the middle of a plot to assassinate the prince, Tristan must risk his life and his future--leaping from the frying pan into the fire--to save the sassy lass who has stolen his heart.

Book Details A fictional story based on the real-life events of the baptismal celebration for King James in 1566 R-rated for sensual passages

Customer Reviews

I liked this book, but not quite as much as the first two books in the series. Tristan is a cook in the queen's household and Mery is a singer in a traveling minstrel troupe. They meet when Mery comes to the castle to perform for the prince's baptism. Mery is fascinated by Tristan and he with her. She has never met a man that would make her consider giving up her traveling life, until now...When Mery overhears a plot to assassinate the prince, she turns to Tristan to help her thwart the plot. Mery accidentally upsets the assassin's plan, her life is in peril and Tristan will do anything to save her. Once the assassin escapes, many assume that Tristan has killed him and his boss suggests that he leave the castle. He decides to travel south and seek out the inn of Florie and Rane, he asks Mery if she would be willing to go with him and asks her to hand-fast with him. Fast forward a year, Mery is very pregnant and she and Tristan are preparing to marry, they have settled in at the tavern/inn owned by Florie, Rane, Jossy and Drew. Tristan is the cook and Mery helps out in the tavern. Just as they marry, all hell breaks loose and a villain from the past again threatens Mery's life. The story was a nice change of pace from the typical nobles that most historicals focus on, but it was a bit slow at the beginning. I also found the food/music analogies a bit too much. When all is said and done, this was a good book and I enjoyed it and would be happy to recommend it. It is part

of a series, but could easily be read as a stand alone title.

This was a very well written story that was hard to put down.

Love Scottish romances.

Love all her books
