This is a wonderful story that reminded me of a Romeo and Juliet type of story. It has the two families, the McCutcheonâ <sup>™</sup>s and the Calhounâ <sup>™</sup>s who used to be best friends and ranchers in Rio Wells, TX for a long time until something happened to the head of the Calhoun family Jock and

he blamed Winston McCutcheon. For years they have hated the McCutcheon's and cause all sorts of rumors and problems for them.Dustin McCutcheon sees the most beautiful woman he has ever seen in the mercantile in San Antonio. They lock eyes and held their glance and Dustin wants to get her name but he gets stopped by a friend, and she just leaves before he can do that.Later in a court room, both are in the room for different cases, both wanting to defend the person charged. Dustin finds out Sidney Calhoun is the woman he had seen in the mercantile. When the judge orders Dustin to be guardian to Sidneyâ ™s brother Noah and take him to the Rim Rock Ranch until he earns enough to pay off his debt, Dustin sees only trouble and problems for the family as well as the town. He really doesn't want to do this but he is ordered by the judge who just happens to be friend of his father.This is a love and hate story as Dustin, his brother Chaim, Noah, and Sidney are suddenly throw together to ride back to Rio Wells so Noah can earn his freedom.Needless to say there are many twists and turns in this story and trust issues galore on both sides. Some scary times, fun times that seem unrealistic considering the families, but there is a budding romance between two young people one from each family, that would be strictly forbidden by both families. Stay tuned to see how this come out in the end. It will keep you guessing that is for sure.

What could be more exciting than a long time family feud and a budding romance? Ms. Fyffe brings us another exciting read filled with baiting, angry, sorrow and love. She puts her own twist on this story you will not see coming. Two people canâ <sup>™</sup>t stand each other letting a feud take over only they both canâ <sup>™</sup>t seem to forget the other. Both are attracted to the other but will not let anything come of it. They spend their time fighting that attraction only they seem to keep getting in each otherâ <sup>™</sup>s way. I have loved this series from the start. This new addition just makes me love it more.Dustin has spent many years fighting the Calhounâ <sup>™</sup>s at every turn they seem to always be in his way at all cattle sales causing trouble. You would think he would get a fair share and get a break. This is not happening when the youngest Calhounâ <sup>™</sup>s gets into trouble and the judge decides he must stay at the McCutcheon ranch. What in the world was this judge thinking everyone knows how the Calhounâ <sup>™</sup>s and McCutcheonâ <sup>™</sup>s feel about each other. Things are taking out of his hands and he must do as the judge has ordered. He isnâ <sup>™</sup>t going to like it. As his mind goes back to the pretty little lady he thinks he might just find out where and who she is. That is when he sees her walk into the court room. No one is more shocked than he when she is there for Noah her brother. Just his luck the best looking women in town and she is a Calhoun. This is one strong, tough, caring loving man who will steal your heart. Sidney is still thinking about the hunk of a cowboy that she saw earlier when she walks in the court room and sees him. You could have knocked her

over with a feather when she found out who he was and that her brother would have to stay on his ranch to work off his debt.
