The Outcast (Scottish Lasses Book 0)

Synopsis

"Brilliant romance"--Tanya Anne Crosby, New York Times bestselling author
SCOTTISH LASSES...Meet the lasses in the world of Mary Queen of Scots...Like the Scottish thistle, they're lovely yet tough, beautiful yet prickly, and only the strongest and wisest heroes are able to elude their thorns to discover the tender blossom within.
THE OUTCAST â " Prequel novella to Scottish Lasses
Lachlan Mar, a disfigured and broken Scots warrior, doesn't believe anything can mend the wounds of war until Alisoune Hay, a brilliant and beautiful young lass, stumbles into his cottage and his life, healing his hurt and his heart with the most magical power of all--love.
Book Details

Glynnis Campbell is a USA Today bestselling author of swashbuckling action-adventure historical romances set in Scotland, England, and the American West, with over a dozen books published in six languages. She has won awards in the Orange Rose, Hearts through History, and Book Buyers Best contests and was a double finalist in the Romance Writers of America RITA Awards. Her books appear in several multi-author boxed sets with such esteemed talents as Bella Andre, Marie Force, Tanya Anne Crosby, Lauren Royal, Kathryn Le Veque, Eliza Knight, and Claire Delacroix. Writing from her California home, she loves playing medieval matchmaker and transporting readers to a place where the bold heroes have endearing flaws, the women are stronger than they look, the land is lush and untamed, and chivalry is alive and well!
From Glynnis...I love writing "stories to keep you up all night"!

Customer Reviews

This book was a great read. Lachlan has lost all four of his brothers along with his lower leg in battle. His fiancÃ© leaves him due to his lack of shin and foot and becomes a recluse except for his dog. Alisoune is a spectacle seller and accused witch who is fleeing a mad mob intent on burning her at the stake for witchcraft when she stumbles upon what she thought was an abandoned cabin. Oh you see, she's not truly a witch she is just in love with science and knowledge which rubs the clergy of the area in the wrong way. I liked this book, the flow, pace and editing were spot on. The characters were well developed and you understood what motivated each character. The plot was unique and adventurous. My only critique is the inclusion of the 'winters stone' and the mysterious old lady that delivered it. I felt like those should have been left out or further developed. For me that sub plot never really went anywhere. All in all this was a lovely story and I would recommend this author and this book again and again.

Because he opened his door to extend your hospitality to a stranger, because he offered refuge to a victimized lass and because he kept an open mind, Lachlan was rewarded with a belief in himself and a gift of love! Well done Ms. Campbell, I enjoyed and recommend this book.

The Outcast is a lovely story about forgiving oneself from past mistakes and recognizing the importance of self acceptance. I truly admired the heroine in this novel. Alisoune is set upon by medieval Scottish villagers who are convinced she is a witch. Alisoune is instead a woman of science who reads Copernicus and is somewhat of an inventor. She crafts eye glasses for people

and is a self taught engineer. She does not believe in magic. Unfortunately, she must run for her life and she stumbles upon Lachlan's little abode. Lachlan is a knight who is missing his leg from battle but his deeper wounds are internal to the soul. He just cannot forgive himself for the death of his brothers in battle. He has survivor's guilt and he feels unworthy of any scrap of happiness. He has a wonderful deerhound who is his only friend. Alisoune changes his world with her optimistic nature and her unconditional love. Finally he has found someone who looks past his missing leg to his character. Lachlan tries to be a gruff man but his bad attitude dissipates around Alisoune, who teaches Lachlan about the power of forgiveness. This is the central thread of the story, can Lachlan ever see past his own faults and just learn to love himself. This is a charming story.

This is a cute little story, and I am disappointed that the author wasted such great characters on such a little story. Most especially, I became fond of Lachlan, and I wish this had been a more developed novel. The story is good, though, but I kind of got tired of it being based a little too much on sex. There is a lot going on in the story, and the author did not develop the story behind the stone nor the purpose to why this is a prequel to other books. Basically, this is just a cute little character driven story with a bit too much sex as the focus and not enough development of plot devices already put in place. So, read if you want to be introduced to the characters in case they show up later.

I was so excited to see this that I speed downloaded it from the plane as they were closing the doors ... and I'm posting this review as they get ready to let us off the plane on the other side! Engaging characters full of love, flaws, and life. This is why I adore Glynnis's writing. Well done.

Read the brief description regarding this little tale and I adore this type of romance. Broken soldier and independent young lady meeting by "accident". It is so much more. Alisoune is a science geek of the time. Love her!. I highly recommend this story. I appreciate a smart feisty lass who rehabilitates and loves a wounded warrior.

I loved the story, but it goes from 90 mph to dead stop. The most exciting part of the story's and it just ends and goes to a tepid epilogue. There was at least another 4-5 chapters before the book should have ended. I normally only buy free books, and now after this I'll probably continue. At least I don't feel like I wasted money on a half a story.

Heart warming and beautifully written, this story is lovely with touching detail and tastefully written love scenes. Ms. Campbell has the variability to write poignant love story that is both clever and endears the to the characters. I only wish that the story had been longer. I look forward to reading more of her work.
