The Rogue And I (Must Love Rogues Book 1)

Synopsis

A Lady Ready for Battle: Miss Harriet Manning once made the mistake of falling completely, totally, and irreversibly in love with a duke's son. It's a mistake she won't repeat twice. Truly. Especially since he abandoned her just when they were about to elope to Gretna Green. Five years later, Harriet hasn't forgotten the way Lord Garret's smoldering gaze and wicked sense of humor touched her soul. Still, there's no way she'll forgive the traitorous libertine, no matter how he stirs her passions. Now, Harriet is determined to show him she doesn't care, and never did, by making merry right under his nose but a tragic turn of events at her cousin's wedding has her wondering if just maybe, love deserves one last chance. My dearest readers, This book is a tribute to my favorite dueling lovers, Beatrice and Benedick from *Much Ado About Nothing* by Shakespeare. I'd always wondered how they'd grown to hate each other and have such epic verbal battles! I hope you enjoy my homage to them.

A Lord Who Lost His Heart: Lord Garret Hart, second son of a duke and now brother to the present Duke of Huntsdown, is never ever EVER getting married. Bachelorhood is for him. After all, women are the very devil. Especially one woman. Miss Harriet Manning is Garret's own personal Medusa and she has turned his heart to stone. Indeed she has, but not before she absolutely ripped it to shreds, leaving him a complete wreck. Nothing will ever induce him to matrimony or nauseating protestations of boyish love again. But when he is forced into close proximity at his brother's wedding with the woman who first taught him to dream and see the world as a wondrous place, sparks flash and passions explode. Still, Harriet is not to be trusted. She callously betrayed him once. So how can he ever allow himself another chance at love when love always seems to hurt so much?

Customer Reviews

The Rogue and I is a story of broken hearts, mistrusts, deceptions, mistaken identities and conniving, manipulative family members. Harriet Manning, Harry for short, is preparing to celebrate the upcoming nuptials of her cousin Emmaline and Edward Hart but all she can think about is Edward's brother. He is the rogue she gave her virginity and her heart to five years ago and he destroyed it. After so long she would have thought she had become immune to him and her body's reaction to him but alas she hasn't, so she gathers her wits and mind and sets out to destroy the man she once loved. Lord Garret Hart, does not want to attend his brother's wedding because he doesn't want to see the Medusa he believes betrayed him and broke his heart. He tries to talk his brother, the duke, out of making him attend this week long stay and wedding, to which he has to stay in the very home with said Medusa but his brother doesn't give him that reprieve. Lord Garret accepts the inevitable and sets out to destroy one Harriet Manning. Every time these two happen to cross paths they can't help but trade insulting barbs with each other. Everyone can feel the tension between the two and James, Garret's oldest brother and the duke, decides to do something to put an end to their bickering. He believes the two are still very much in love and sets out to bring them together with the help of Edward, Emmaline and Emmaline's sister Meredith. As Harry and Garret are finally finding their way back to each other, Emmaline and Edward's wedding ends in disaster and they are ripped apart again by deception and betrayal. When Emmaline and her father are ousted from society, Harriet isn't. In fact her invitations to the balls and parties grow in abundance.

What's a girl to do when the man she gave her heart & virtue to, who then broke her heart, is the brother of her cousin's fiancé? And said man is going to be spending the entire week before the wedding in the same home? That's the dilemma facing Miss Harriet Manning. After 5 long years she would have thought she would be immune to him trading barbs on the few

occasions they have been in proximity of each other. Gathering herself she sets out to make his life miserable for the duration of his stay. Lord Garrett Hart promises his brother he will do anything if heâ™™ll just let him leave the home of the she-devil he once thought he was in love with; after all, their older brother is there as is their bastard half-brother. What would James need with him? Alas, he is not to be given any reprieve. His only problem is his bodyâ™™s reaction to the stunning woman she has become in the 5 long years in which she betrayed him. As the days pass, barbs & insults fly between Harriet & Garrett. As they cross each otherâ™™s path on a continuous basis, Garrettâ™™s brother devises a plan to show they still love each other. As the plan takes root there is something more sinister waiting to happen. When a case of mistaken identity occurs that breaks apart the engaged couple will Harriet & Garrett be divided? Will they trust each other enough to survive the disaster that follows? A sinister person(s), mistaken identity, broken trust & misunderstanding provide a wonderful tale of 2 people overcoming obstacles & fighting for what they want. I received this book as an ARC in return for an honest opinion & so happy I did. Although I have Eva Devonâ™™s series The Dukeâ™™s Club in my to be read pile, The Rogue & I is the first book of hers that I have read and am completely hooked!
