## Synopsis

Four full length Scottish romances from four best-selling authors. **HER SCOTTISH CAPTOR** by Kate Wingo On the eve of her wedding, Yvette is abducted, her fate now in the hands of a fearsome Highlander. To avenge his brother's death, Iain MacKinnon, a formidable Scottish laird, kidnaps Lady Yvette Beauchamp, the daughter of his English enemy. All too soon, Iain's contempt for the haughty noblewoman turns into a raging desire. But when Yvette refuses to become Iain's mistress, she's forced to become the new ch  telaine of Castle Maoil. Her duties not only continually throw Yvette into Iain's path, but also into a dangerous intrigue when she discovers that the castle's mysterious new guest is none other than Robert the Bruce, the recently crowned king of Scotland. As war with England looms on the near horizon, loyalties are tested, putting the burgeoning love between laird and captive to the ultimate test. Set in 14th century Scotland, *Her Scottish Captor*, Book One of the Highland Mist series, is a highly sensual tale of vengeance, honor and the saving power of love. **CLAIMED** by Tarah Scott Talbot expects to find a hostile woman in the Scottish heiress Edward commands him to marry. Instead, he discovers a Highland beauty worthy of a man's respect...and love. Talbot will do anything to win her acceptance except the one thing she demands: betray his king and embrace his Scottish heritage. **KILT TRIP** by L.L. Muir Scotland, 1704 It's all about that kilt | Acting on a dare, three English brides-to-be sneak into Scotland for a scavenger hunt, their last adventure before marriage. Mallory wants a piece of pirate's treasure, and Vivianne yearns for a love letter from a poet. But Bridget has more on her mind than the game. She knows life with her evil, blackmailing fianc  e will be hellish, so she's determined to make him suffer too by stealing a Highlander's kilt and leaving him to wonder how she acquired it. **THE FEARLESS HIGHLANDER** by Amy Jarecki In 1692, a warrior loyal to the Jacobite cause and the daughter of a government colonel may as well be worlds apart. But love has a way of crossing divides. Against the odds, Charlotte Hill loses her heart to Hugh Maclain, heir to the most notorious clan in the Highlands. Can she coax him from his path of revenge before it's too late for their love to blossom?

## Customer Reviews

Every writer has a wonderful way of drawing you in. I will be purchasing many more of their books. A relaxing escape into these far off times when men were brawn and ladies were fair of face but tough as nails when it came to protecting their own

Interesting stories. Well written. Too many editing and grammatical errors however. Would have liked the stories and writing to be longer

Loved all the stories! Each and every one of these books were captivating as they always are with these wonderful authors. Well done, all of you!

So so happy I got this collection. Many thanks to the authors because you have done a great job of teaching while entertaining

I'm loving all this highlander. I just can't get enough of the highlander historical romances.

Nice collection of romance novels in one book. Great introduction to the many authors who entertain you through their characters and storylines.
