Clean Room Vol. 1: Immaculate Conception

Synopsis

From the minds of superstar writer Gail Simone and gifted artist Jon Davis-Hunt comes CLEAN ROOM VOL. 1: IMMACULATE CONCEPTION—a new vision of horror that takes you inside the locked chambers of sex, science, celebrity, and the supernatural. Somewhere between the realms of self-help and religion lies the Honest World Foundation. Its creator started out as an obscure writer of disposable horror fiction who decided to change the world—one mind at a time. Now its adherents rule Hollywood while obeying their leader's every command. That's almost all that anyone knows about the movement—or is it a cult?—founded by reclusive guru Astrid Mueller. But reporter Chloe Pierce is sure that there's something deeper hiding behind Honest World's facade. Her fiancé was a devoted follower of Mueller, right up to the moment that he blew his brains out while holding a copy of her book. Now Chloe wants answers from the woman whose words command the loyalty of millions—and she's ready to storm the top-secret sanctuary known as the Clean Room to get them. But there's more to Astrid Mueller than Chloe could ever imagine—and the truth that she's about to discover is more astonishing than any of Astrid's accomplishments, and more terrifying than any of her novels. Collects issues #1-6.

Book Information

Series: Clean Room

Paperback: 144 pages

Publisher: Vertigo (June 21, 2016)

Language: English

ISBN-10: 1401262759

ISBN-13: 978-1401262754

Product Dimensions: 6.7 x 0.2 x 10.2 inches

Shipping Weight: 10.4 ounces (View shipping rates and policies)

Customer Reviews

I don't find the Entities (which still aren't entirely clear to me) nearly as unsettling as I find the motivations and choices made by the human characters. There's a visceral heft to the consequences of any given turning point that makes these characters realer than a lot of those who appear in comics, even those conceived for the same mature readership as CLEAN ROOM. Things

matter here. I started reading CLEAN ROOM when its first issue was published in October, 2015. I've been a fan of Gail Simone's for several years, and found myself intrigued by what little I knew about the book going into it. I've got a few mental health diagnoses, which is only relevant to this review in that I was made squeamish at times early on by some startling imagery and uncouth dialogue pertaining to suicide. It's a recurring theme of the book, but once I understood that, I found it easier to acclimate and not be so triggered by it. I can't say how this first arc reads in collected form, though I should imagine it plays well. As I said, I've been reading the monthly floppies, and one of the things I most appreciate about Simone's writing is that by time I finish any given issue she's written, I've been left with a feeling of desperately wanting to read the very next issue immediately. Readers of this collected edition will be spared the agony of those four week intervals, which may be more gratifying, though I feel it may also cheat them out of a certain part of the suspense that makes CLEAN ROOM so captivating. Astrid Mueller has quickly become my favorite complex character in all of fiction since Tony Soprano. As of the writing of this review, there are three issues beyond what is collected in VOL. 1: IMMACULATE CONCEPTION.
