Sly O'Donnell loves his hometown so much that part of his plan to save it is to sue Korpanty for stealing the town's livelihood since the underwear models married all their eligible women. Sound unreasonable or unrealistic? Not if you've read all the Culpepper Cowboy series. Enter Rachel Korpanty. Sly has already admitted to his sister the lawsuit is frivolous, now for Sly to convince Rachel. If you love cowboys, cookies, and a good tug of war then Merry Farmer has written the book for you.

I loved Sly's story in the Culpepper Cowboy series. I can't wait for the next one. If you haven't read this series it would be a great one to start. Every other book is written by Merry Farmer and Kristen Osbourne. They are both very talented authors and I would recommend anything they have written

Gotta love those men of Culpeper! Smart, handsome and ingenious! And they all make wonderful husbands! Book 10 and I can hardly wait for the next installment with Bartenders Beauty! Great job Merry Farmer! 'TM 'TM

After reading Merry Farmer's Veterinarian Vixen I didn't believe I could love another cowboy as much as I did with Doc! Boy was I WRONG!!!! Sly stole my heart! Merry truly captures the perfect southern town from the hot steamy Cowboys down to the southern hospitality and bond of families. When love comes to town it come quick and fast for these Culpepper boys! Not much stops these Culpepper boys from getting what they want. Rachel brought to town by a lawsuit against her company, breaks down and none other then Sly O'Donnell comes to the rescue. To Rachel's surprise this is the very guy who is trying to ruin her. Two business savvy people work together and find that love is more important then business. I look forward to picking up some other Culpepper Stories and finding out about some of the other members of Culpepper are up to! I definitely recommend this book but be careful these Culpepper Cowboys will steal your heart!

Sly O'Donnell was good at what he did he made money and now he wanted to make his town know so they could bring some women who would be interested in marriage and making a home in Culpepper. They lost a lot of their single some due to be snow storm when they were stuck with some underwater models, those men took advantage of the togetherness. Sly brings a law suit against the Korpanty company which employed these models. RACHEL Korpanty shows up and that is what Sly wanted and he did not intend to really go through with the law suite, but he did not expect t to fall in love. This is a story about two sisters who have the same father but one is hard

working and the other is spoiled and very lazy who wants to have everything her way. It is fun to see the town of Culpepper love and come to help Rachel in her time of need.

I loved how Rachel finally found the Courage to stand up to her childish sister. I cant wait for more Culpepper books. they are my favorite series. great Job Marry Farmer as always

I have enjoyed this series so much. It is generally light hearted and loving. Focused on the value of family and community."That was all the victory she needed. Love was the only contest she cared about winning and the only thing worth the best of her effort."
