Wicked Lust (The Wicked Horse Series Book 2)

Synopsis

Cain Bonham is as big and bad as they come. After serving in the Marines, heâ€™s returned home to Wyoming and now works as head of security at the exclusive sex club, The Wicked Horse. His job is to protect not only the patrons, but to zealously guard the secret existence of the club itself. Sloane Preston is all about discovering secrets. As an undercover reporter, sheâ€™s determined to reveal the truth behind the facade of The Wicked Horse and expose it for all the world to see. She just didnâ€™t count on her pathway into the club coming at the hands of one gorgeously scarred and bad ass bouncer who manages to easily possess her body and soul. While Cainâ€™s not looking for anyone to catch his eye, Sloane did it all the same, and heâ€™s not bemoaning the fact that sheâ€™s as wickedly kinky as he is. As both get caught up in the sinful fantasies that only The Wicked Horse can create, secrets and loyalties will be tested and hearts will risk being broken. **Warning: this book has sex in it. Lots of sex. Dirty sex. The Wicked Horse Series is a bit different than what Sawyer Bennett normally writes. While youâ€™ll still enjoy fabulous characters, a suspenseful story, some witty banter and an epic romance, thereâ€™s just a lot of sex. Youâ€™ve been warned.

Sawyer Bennett could write a grocery list and it would still be hot and leave you panting and breathless in a puddle of lust. I have read each and every one of her "Cold Fury Hockey" series books and some of her legal books and I was sure that this book would surely not disappoint. I knew that it was going to be a little more explicit and more erotic than her other work so I was fully prepared. However, just like always Sawyer Bennett has accomplished to exceed my expectations and leave me in a daze ;) The Wicked Horse is a bar in Wyoming. It hides a secret sex club that is open to a select few. Cain Bonham is the head of security at the club. An ex-marine and a man who enjoys his pleasure on the kinky side, he takes his job and his commitment to it very seriously. Left with having to pay off his late wife's debts, he is willing to do any job for the extra pay. He can get any woman he wants, but he can't seem to keep his eyes off the sweet and innocent looking blonde who has been coming to the bar recently. He feels that there is something more to her than what meets the eye. Sloane Preston is on a mission to bring to justice all corrupt politicians. When her newspaper gets a tip that the governor is involved with a sex club, she flies down to Wyoming and goes undercover. She targets the hot and fearsome looking head-of-security as her way in to the club. What she doesn't expect is that Cain Bonham will open her eyes to a whole new world and a whole other side of herself that she didn't even know existed. She has never felt so liberated and so satisfied. So will she be able to continue with the story that she set out to unfold? And will Cain finally be able to find the woman that he will want to keep for more than one night?

Wicked Lust by Sawyer Bennett
Book #2: The Wicked Horse Series

My Rating: 3/5 stars
My Review: When Cain Bonham is on duty, no one at the Wicked Horse has to worry about their safety. He takes his job and the security of the patrons of the Wicked Horse beyond seriously and will absolutely put down anyone who threatens that security. In his off duty hours, Cain enjoys the benefits of Wicked Horse membership and many of the members enjoy Cain. Cain Bonham lives a simple life and has no intention of making any changes anytime soon. Then Sloane Preston walks into his bar . . . Sloane Preston doesn't have quite as simple a life. Fresh out of college and looking to make a name for herself, Sloane has eagerly agreed to go undercover at the Wicked Horse in order to expose the club for what it really is, a sex club. If she can tie the club to a congressman the story will be even better. In order to get her story, Sloane will do whatever is necessary and if Cain Bonham is a part of the equation, even better. Cain fascinates Sloane but she knows she is going to have to do more than just attract his attention. To get her story, Sloane is not only going to have to attract Cain's attention but keep it as well. Luckily, Sloane is sexually

curious and adventurous which is most certainly guaranteed to keep Cain's attention. Cain and Sloane together are frenzied and hot and neither is prepared for the connection they have to one another. After a truly horrifying experience with his ex, Cain has sworn off long-term attachments but Sloane Preston is something special. Her willingness to play is captivating and Cain quickly discovers he doesn't want to be away from Sloane.

This series a bit different than the usual SB, don't say you haven't been warned!! This is book 2 of the Wicked Horse series. As with the first, I really liked this book. Yes Cain is hot and kinky, and Sloane enjoys that kinky side... But that's not the focus of the book. We find two flawed people, falling in love. Cain Bonham is head of security for the Wicked Horse as well as the Silo, Wyoming's hottest sex club, where all your fantasies can be reality. While his primary job is to protect the club and its patrons, Cain likes to indulge. He's one of the most sought after fantasy makers at the Silo. It's the perfect job, because Cain has one rule... One night, no strings. He may play at the Silo, but outside its walls, it's one and done. He's been burned and years later is still paying the price. No way is he willing to make the same mistake twice. Sloane Preston is a reporter, and has little tolerance for one thing... A dirty politician. When she gets a tip that a Wyoming Senator may be involved in a sex club, she is determined to find out what secrets lie at the Wicked Horse. Sloane goes undercover, looking to expose the truth that lies inside. While she may be looking to expose the secrets, she's not willing to lie. She needs an in to the Silo, and Cain Bonham, head of security, sexy as sin, with a reputation to match, is her ticket. Cain sets his sights on the sexy stranger that has been coming into his bar every night. He's due for a little fun. Sloane has her plan in place to seduce the sexy head of security to gain access to all that is the Wicked Horse. One night of wickedness. One night of fun. One night to sate the crazy attraction between them. One night of the best sex either of them have ever had.
