# At The Altar Of Sexual Idolatry

## Synopsis

Sexual temptation is undeniably the greatest struggle Christian men face. Here's a book that digs deep and has the answers men are looking for—the kind that actually work. While other books deal with the subject superficially, *Sexual Idolatry* goes right to the heart. It draws back the curtain and exposes how sexual sin corrupts the entire man, something Steve Gallagher understands, having lived in the bondage of it for over twelve years. Put an end to the mystery of lust and maximize God's power in your life with the proven answers that have helped thousands.

## Book Information

Paperback: 304 pages

Publisher: Pure Life Ministries; Revised edition (March 25, 2000)

## Customer Reviews

From my perspective this book can be helpful to men struggling with sexual idolatry. Mr. Gallagher provides great encouragement to those that are downcast and bound up by all forms of sexual lust. I know that I found what he had to say encouraging and convicting. However, one word of caution for those who are struggling with sexual sin. Steve Gallagher presents vivid stories about sexual lust, but those who are struggling with sexual lust will find themselves stirred up to lust by the stories because of the vivid detail. The stories, in my opinion, are too descriptive. He could have given readers the stories, but with less details to get his point across. So please be careful to read this book with a person that will keep you accountable. If you do not think that you can find someone to keep you accountable to read this book (or you do not find an accountable because of shame and fear (which is a form of pride)). I would recommend reading another book. I would recommend the following...1. *Overcoming Lust in a Sex Crazy World* by C. Matthew McMahon (Puritan

Publications)2. Sex is not the problem, Lust Is by Joshua Harris3. The Purity Principle by Randy AlcornThese books provide not only practical tips, but they seek to form a theological foundation for understanding sexual desire, (which God created), which will help men and women to consistently put to death the desires of the flesh.This is not a bad book, but can possibly fill your mind with more sexual distortions (even though that is not the intent of the book) because of the detailed stories.

I work with crack-addicted homeless men in Washington, DC. For three years I've used the book "Every Man's Battle" by Steve Arterburn along with other materials to teach a class in sexual purity. Last year I began incorporating "At the Altar of Sexual Idolatry" into the curriculum. This year I've thrown out the "Every Man's Battle" book, not because it's no good, but because it's not good enough. Whereas "Every Man's Battle" just touches the tip of the iceberg and is useful for men who are not sure if they've crossed the line, the population I work with has gotten so far over the line they don't even know where it is anymore. Time is of the essence, and "At the Altar of Sexual Idolatry" saves valuable time by rapidly focusing on the core problem and identifying factors. Over and over again men have remarked "I really understand what you mean by the sex problem" after reading 'Sexual Addiction' (the first chapter). Sexual addiction, especially among the drug addicted population is getting worse. Ninety percent of those who relapse back into drugs start with a hook-up with a female. For those I work with it's an epidemic. Any tool that will save a life is worth using. For some, Steve Gallagher's approach may be overwhelming, but for those who have been risen from the dead it is a breath of fresh air.

When push came to shove and my back was up against a wall, God used At the Altar of Sexual Idolatry to change my life. Not only did this book expose my sexual addiction for sin, and lead me to true godly repentance, but it taught me how to be an actual DOER of God's word and walk in the Spirit (which is where the ONLY true victory over sexual addiction is!).Steve has a special ability to communicate the hope that DOES exist for those of us who are struggling, because he has been there himself and has allowed God to conquer him. He's not some stuffed shirt telling you his "theory", but rather leading you into God and out of sin.Now, after two years of solid victory over sexual addiction, I continue to watch men's lives change because of the powerful truth this book contains.If you are a Christian man who struggles with sexual sin, a wife who has been victimized by this hideous sin, a pastor or Christian counselor, this book will bring healing and restoration through God's word. I stand as a living testimony that God IS able to set the captive free and heal a broken life. I encourage you to look no further.If you are searching for a book that will deal directly

with sexual addiction from testimony and God's word, you have found it right here. God bless you.

Steve Gallagher is to be highly commended for his willingness to write this book. For far too long men have been patted on the back and told that Jesus loves them all the while they are living in sin and clear disobedience against God (Hebrews 10:26). Mr. Gallagher paints no pictures of easy, cheap grace answers for sexual addiction. He paints an ugly, sinful picture of someone bound for hell unless they repent (Luke 13:5; 1 John 2:3-6). In this book you will read chapter after chapter of heart gripping tales of sexual addicts in the Church. Many of them looked like upright men but all the while they were living in sexual addiction (or as Gallagher puts it, "at the altar of sexual idolatry" since sexual addicts worship sex). Gallagher shares how God's Word can set men free if they are willing to lay down their pride, admit their sin to themselves, God, and their families and become accountable for discipleship, prayer, and holiness. Truly "without holiness no one will see the Lord" (Hebrews 12:14). We are to make sure that we avoid sexual sins at all cost (1 Corinthians 6:19; Hebrews 12:16) for truly, the sexual immoral will not inherit the kingdom of God (1 Corinthians 6:9-11; Galatians 6:7-9; Revelation 21:8).
