'67: The Maple Leafs, Their Sensational Victory, And The End Of An Empire

Synopsis

In 1967 the Toronto Maple Leafs won the Stanley Cup in a stunning defeat of the mighty Montreal Canadiens in Canada's centennial year. Thirty-nine years later (and counting), no other Leaf team has been able to do it again. As the years pass, the legend grows. The men who were the Leafs in 1967--a scrappy group of aging players and unsung youngsters--were the kings of this universe, the last hockey heroes to skate in the world's most important hockey city. They were the men with the right stuff who enjoyed the perks and privileges that went with it. *Sixty-Seven* is not just another hockey book about that legendary team, but a unique and total look at the contradictions, the legends, the shame and the glory of '67. Within five years of that '67 victory, two key members of the team, Tim Horton and Terry Sawchuk, would be dead due to alcohol and drug-related issues. The man who had succeeded Smythe as King of Carlton Street, Harold Ballard, was in jail. The seeds of what would become a horrifying pedophile scandal a quarter-century later were being planted. All that had been built up over the course of decades was in the process of being torn down. *Sixty-Seven* will tell previously untold stories, funny and tragic, from the inside of that unforgettable dressing room. And beyond the story of the team, it will tell the story of the times, a time of innocence before Vietnam and Watergate, the last year of the Original Six-Team NHL, and the last gasp of the hockey dynasty built by the legendary Conn Smythe. The story of *Sixty-Seven* extends well beyond that of a hockey team that found a way to win.

Book Information

Paperback: 352 pages

Publisher: Wiley; 1 edition (September 11, 2006)

Language: English

ISBN-10: 0470838507

ISBN-13: 978-0470838501

Product Dimensions: 5.7 x 0.1 x 8.7 inches

Shipping Weight: 1.1 pounds

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (7 customer reviews)

Customer Reviews

Damien Cox and Gord Stellick are both well-known within the hockey world, and both are intimately

associated with the Leafs (Cox as one of the country's top 3 newspaper columnists based in Toronto, Stellick a former GM and current broadcaster). However, neither of these men are blatant "fans" of the team (unlike, for example, Don Cherry), so this book reads as impartial and balanced. In fact, while praising most of the players, the authors are downright critical of the management of the team. The overall thesis of the book is that the Leafs win in '67 caused the team's administration to remain buried in outdated managerial styles, when the game was fundamentally changing. Basically, this book is more about the seismic shift in hockey that took place in the late '60s. Bobby Orr was revolutionising the position of defense, Alan Eagleson took up the union torch that Ted Lindsay failed to light, and the league doubled in size (which also caused teams to start looking to Europe for players). Against this backdrop, the Leafs were the last of the old-time teams. Management (and some players) was bitterly opposed to the union. In addition, corruption and nepotism surrounded the team, especially with regards to the junior system (the Rochester Americans farm team was more profitable than the Leafs, so that team was sometimes stacked at the expense of the Leafs). It is the conclusion that the Leafs management - especially Ballard, Stafford Smythe, and coach/GM Punch Imlach - destroyed the Leafs proud heritage through hubris and occasionally criminal activity, from which the team has yet to fully recover. The book does, of course, cover the Stanley Cup playoffs for the '66-67 season on a game-by-game bases (the Leafs played 12 games in total), which act as chapter intermissions.
